Infinite Campus: QA Foster

Quick Reference Card

Release date: 5/9/2018

Custom Report: QA Foster – The purpose of this report is to allow school and district personnel to generate a report to verify Foster Care counts. This report provides data on students enrolled and identified as being in foster care during the reporting year. An indicator is included to show if the student is in foster care at the time the report is run. Additional indicators include special education status, economically disadvantaged and inclusion in other student groups. **This report is intended for internal use only, these reports contain sensitive data and must be handled appropriately.**

Selection Criteria: Use the Campus toolbar to select the year, school, calendar to use for the report. To obtain multiple schools or calendars, choose *Select All*. Selecting *All Years* is not allowed. Choose Detail option to obtain student level data. Choose Aggregate option for an overview of homeless data by race, gender, and student groups. Check the Individual Aggregates option to generate an aggregate report for each school in the district.

Suggested report uses:

- Review foster counts to ensure accuracy for state and federal reporting. NOTE: School Report Card data will be disaggregated for foster care students beginning with the 2017-2018 School Report Card.
- Data clean-up for Foster Care student records. If the state-owned record is end dated but the district-owned record is not, update the local record when appropriate.
- Share aggregated pdf with district/school leadership for awareness and additional quality assurance.
